

Kid Proof Jewels

A storage no kid can break into!

Who is it for?

Anyone who doesn't like kids going inside their box and breaking what's inside.

What is it for?

To store possessions that are not meant for kids o play with.

When will it be used?

Anytime an item is needed to be out in or taken out of the storage box.

Where will it be used?

This item will be used in homes.

Why does it need to exist?

Plenty of people who store tiny valuable items, want kids away from it, but this box will keep them entertained and not touching.

How does it work?
